## THE EOS

1959

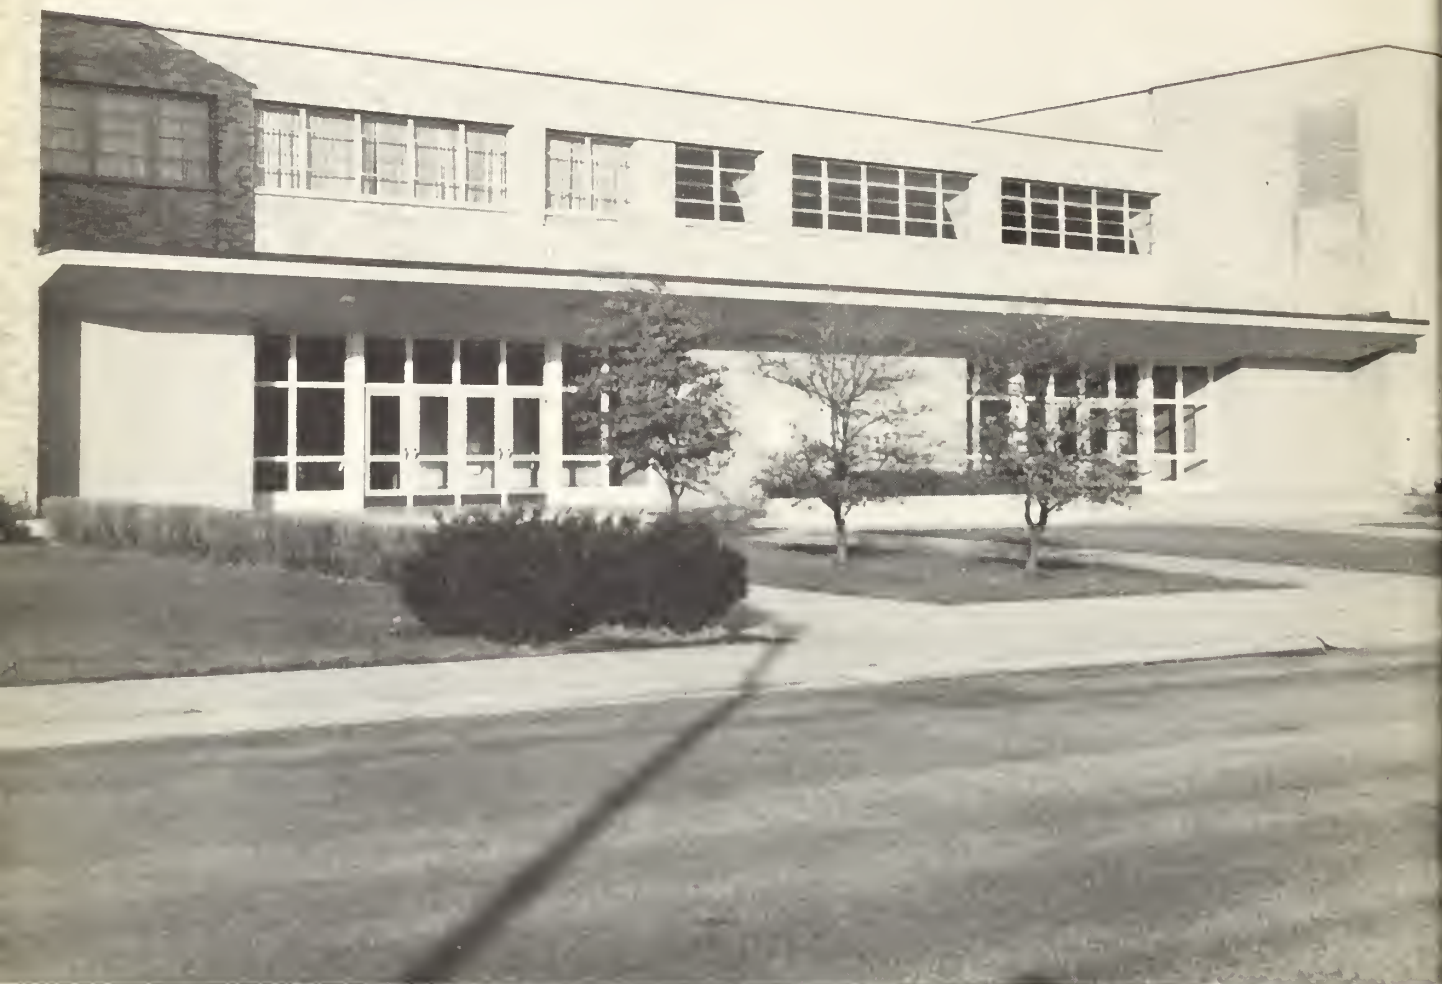

"Red and Blue we love thee ever  
Proudly do we share thy fame  
Loyalty we pledge forever  
To our noble Blackhawk name  
Alma Mater, Alma Mater  
Faithful hearts we offer thee  
As we join to sing thy praises  
Now and through the years to be."

Volume No. Forty-eight

The totem pole, a part of the Indian lore which constitutes our heritage, is a symbolic representation of Indian life. Primitive poles were carved by the Indians for the purpose of displaying important members of the family and their lifetime achievements.

Similarly we, the EOS editorial staff, have accumulated the necessary material for an accurate and memorable carving of the Blackhawk family in the school year of 1958-59. Comprising our totem pole are the four phases of life at West Senior High—administration, academics, athletics, and activities.

The first few hours after dawn find the campus in a dull silence broken only by the occasional passing of an early-rising motorist. As the hour of eight nears, the morning mist lifts from the area, and the campus comes alive. The winding pathways begin to fill with students converging toward West High.

The day has begun. Fresh from a good night's rest, the students are ready to settle down to the serious business of another academic day.

A pleasant September morning found West High Band members, Ivan Johnson, Tim Friday, Rod Handeland, Director Warren Felts, Manfred Staiger, and David Franch, boarding a bus for the annual Northwestern University band day.

Sophomores received an official welcome to our Blackhawk Tribe at a get-acquainted dance sponsored by Student Council in September.

## Many Events Fill Fall Calendar

Lower right: Pausing for only a moment during the homecoming parade, the sophomore cheerleaders, Pam Kohn, Brenda McClure, Linn Ostberg, Judy Boughton, and Kathy Doran, give our photographer a friendly smile.

Below: Exams! Exams! Exams! Filling out the application forms for the Illinois Statewide Test are members of the junior class. The exams are given annually in October as part of West High's guidance program.

Carole Novick and Mardi Willet have found another contributor to the Junior Red Cross Drive which was held in October; he is George Arbeiter.

On October 20, a "whirly-bird" from the sky swooped down and landed on the fifty yard line of the athletic field to bring West High students one of the most unique and thrilling assemblies.

Lingering memories of a summer vacation in the country of Norway are being shared by Kristi Oddsen with her younger sister, Ingrid.

Bonnie Oros skillfully applies Bobbie Mead's makeup for the senior class play entitled "Years Ago." Bonnie's interested audience consists of other members of the play's cast, Adrienne Kole, Rod Bise, and Judy Shepard.

## West Boasts Program

A representative of the General Motors Corporation introduced to the student body fantastic and practical theories of automotive design at an assembly given in November.

A preview into the field of primary education was given to Christa Wilmarth and Sharron Womack, both members of F.T.A. The children, who are listening intently to their student teachers, are David Jebens, Wayne Leimbach, Terri Willgeroth, and Tina Van Trigt.

Ann Mead and Tom Friday find that facilities for concentrated study and preparing assignments in West High's library are top notch.

## For Varied Interests

Recording the information, which she and Norman Higby have observed from their chemistry experiment involving the distillation of water, is Betty Walters.

Once again the University of Illinois attracted many students to its representative on College Day, Nov. 25th. Senior students found this day to be both enjoyable and informative.

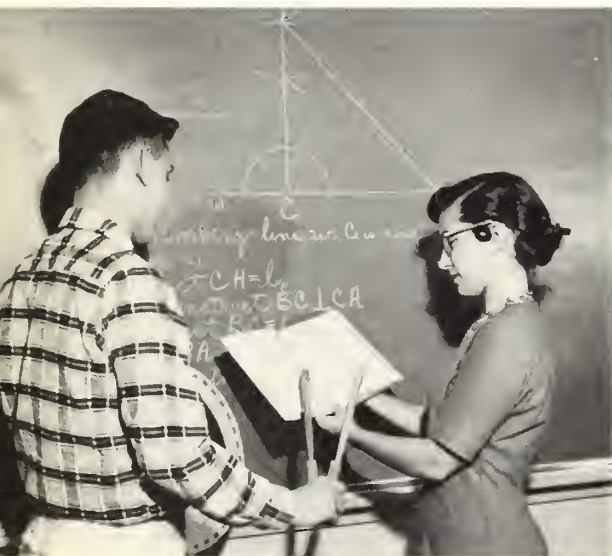

Under the expert instruction of Mr. William Rook, Karen Mellot and Judy Brown find that the dissection and microscopic study of the heart increase their knowledge of coronary functions.

Mr. Harold Meyer reminds Walt Bothe that in order to perfect mechanical drawings one must utilize both his patience and precision.

By applying the necessary postulates and theorems, Dennis Stevens and Janice Peterson prove with ease their assigned geometry problem.

## The More We Learn

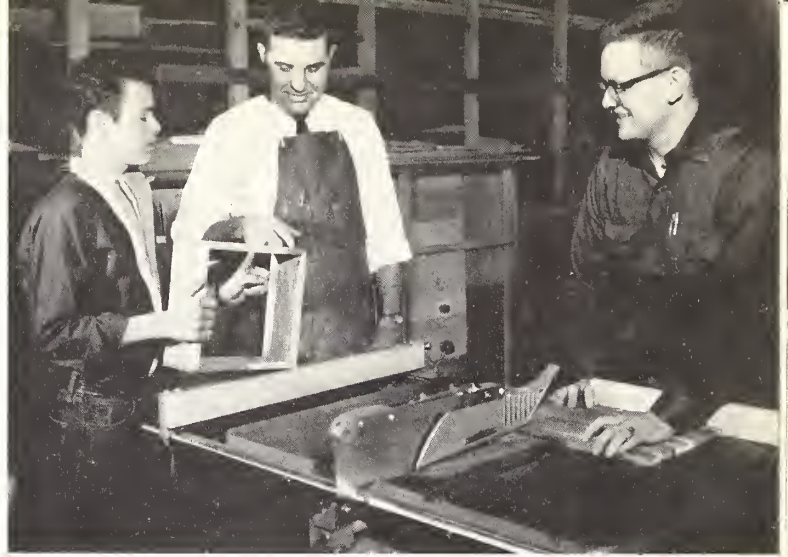

Filling the newly created position of guidance counselor, Mr. Richard Gorham discusses with Dan Diercks, a senior, the possibilities of securing a scholarship. The informal way in which conversations are conducted in this office provides a congenial atmosphere for both the counselor and the student.

Another "Red and Blue" goes to press as linotype operator, Bob Szwesitis, is given additional copy by Jerri Kiley.

Terry Podschweit and Ken Thompson agree that working in the woodshop under Mr. Vernon Lock's supervision develops both a skilled vocation and a thrifty hobby.

## The More We Like Learning

While Jim May sits behind the wheel, Dan Moody points out the distinctive features of the intricate dashboard on the driver education car to Denny Malmgren.

Displaying her talent for one of the world's oldest occupations, Sally Jesseman glazes her artistic and useful ceramic projects. This is one of the initial processes before the enameled article is placed in the firing kiln for its lustrous finish.

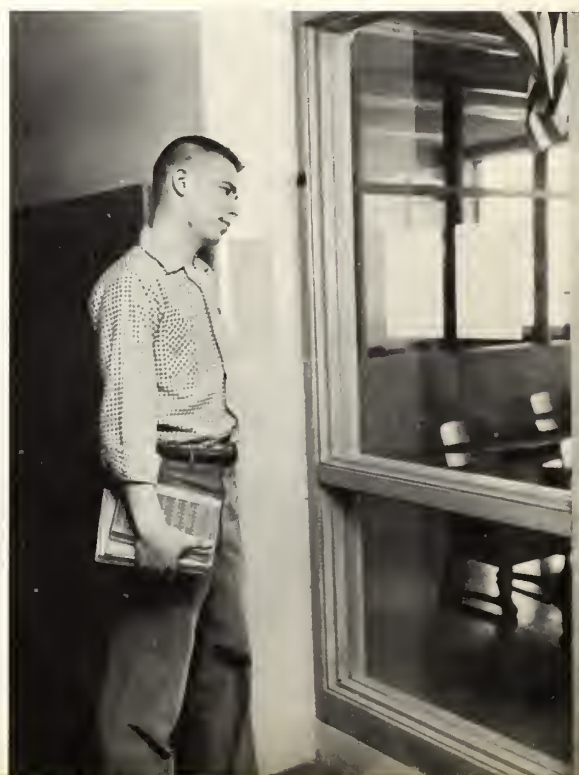

Realizing the necessity of a good English background, these senior students are working diligently on a challenging grammar assignment.

Eager Blackhawks gather at the staff room door to receive the latest issue of the "Red and Blue."

## Behind the Scenes

"But I studied!" exclaims Ed Potteiger as he glances again at the semester exam grade that must be his.

Preparing one of the recipes included in their homemaking course are Nancy Eissner and Bonita Thompson.

Speed and accuracy are the skills which these typing students are striving to attain through daily drill.

Behind the funny faces of these clowns are Caryl Grisch, Judy Shepard, and Jean Jordan. They, with other members of G.A.A., cooperated with the March of Dimes to make a successful benefit.

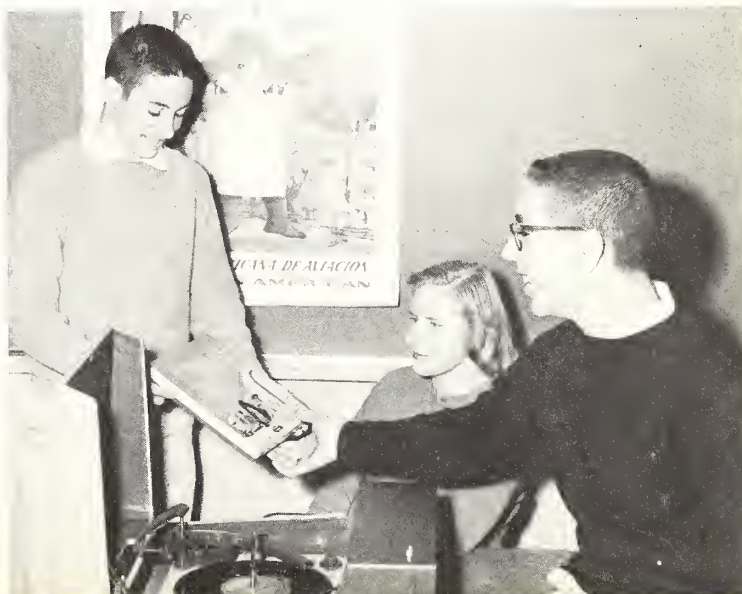

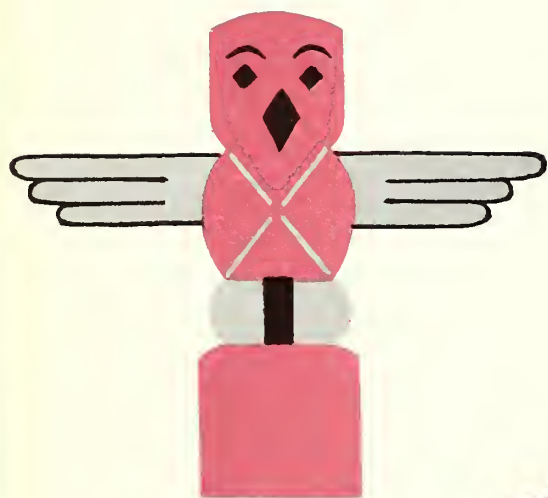

## here's Always Action

A contribution to the Empty Stocking Fund resulted in an evening of entertainment by the famed Glenn Miller orchestra under the direction of Ray McKinley.

Through records and books of Spanish culture, Bill Smith, Pat Charbausk, and Dave Lisberg increase their understanding of el Espanol language.

Mr. Lewis S. Stephens

June 28, 1897-September 29, 1958

*Life's last mile has been run,  
The game is done.  
From your students, a silent cheer  
of appreciation  
For your lesson to know victory  
with humility,  
To know defeat with nobility.*

## HAWKLETS TIE for 2nd

The 1958 Hawklets' 5-3-1 overall record included a 5 and 2 record in Big Eight Conference play which placed them in a tie with LaSalle-Peru for second place in the sophomore division.

The Hawklets started the season shakily, losing to DeKalb 15 to 7 in the final minutes of play, but this loss sparked them to marked improvement in each successive game. In their first home encounter they came from behind to tie Glenbrook 12 to 12.

Opening conference play against LaSalle-Peru, the Hawklets lost 26 to 0 in a game much closer than the score indicates, for the Cavaliers scored three touchdowns in the fourth quarter by capitalizing on West High fumbles. West bounced back to defeat East Rockford 19 to 0, and a week later the

sophomores returned to Rockford to crush West Rockford 26 to 0. After these displays of their offensive prowess, the Hawklets scored once in the first quarter against Freeport and then proved themselves defensively by hanging on to win 7-6 after the Pretzels retaliated with a second quarter touchdown. A spotty first half cost West High the Elgin game, for in the second half they battled the conference champions on even terms but could not overtake Elgin's 20 to 0 first-half lead. Against their cross-town rivals, the Hawklets scored in the final thirty seconds to defeat the highly-rated Kittens 14 to 7. The sophomores closed their creditable season with a 13 to 6 victory over Joliet.

Coaches Bill Rook, left, and Vern Lock made their first season of coaching the Hawklets a successful one. That the two men formed an effective team was shown not only by their team's second place finish, but also by its very notably progressive development.

## West High 2nd In State

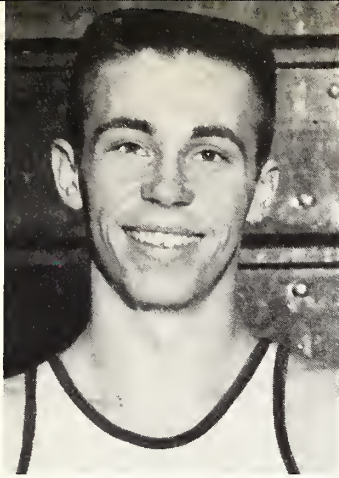

This year the West Aurora Blackhawks improved upon their last year's fourth place finish in the state basketball tournament by taking second place. Coach Dorsey's cagers also tied with East Rockford, West Rockford, and Elgin for the Big Eight Conference championship by posting a 7-3 record in conference play. Their season record of 22 wins and 7 losses is the second best yet posted by a Blackhawk basketball squad.

This season resembled last in that the team had several ups and downs before reaching its peak during the state tournament. The Hawks, highly rated in early season press polls, won their first six games and then lost to Elgin. In the DeKalb Holiday tournament they dumped Oregon and were edged 69-67 by sharp-shooting Shabbona, a highly-rated team. After beating Freeport easily, the team reached their nadir, losing to Lockport and Joliet successively, but they then improved steadily. In remaining conference play they lost only to West

Rockford as they broke Elgin's long-term jinx and avenged their previous loss to Joliet by slaughtering the Steelmen 107-51 in a record-breaking game in which Bill Small scored 53 points to personally outscore the opposition.

The Blackhawks won their fourth consecutive IHSA Regional tournament as they outclassed West Chicago 74-52, foiled a St. Charles freeze 28-18, and outran East Aurora 86-69. Although it entered the Sectional as an underdog, West High successfully defended its title by surprising highly-esteemed Proviso and Hinsdale 62-35 and 56-39 respectively. In the Super-sectional they bewildered powerful Thornton 71-58. At Champaign, West ended previously unbeaten Rantoul's 32 game win streak by defeating them 71-62. The highlight of the State tournament was the semi-final game in which West High just "out-basketballed" Galesburg's hard-running, first-ranked Silver Streaks 74-61. West lost 52-60 in the finals to Springfield's State Champions.

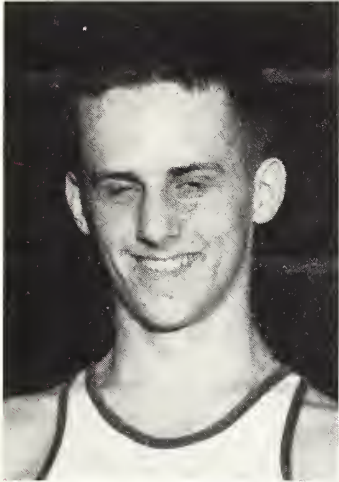

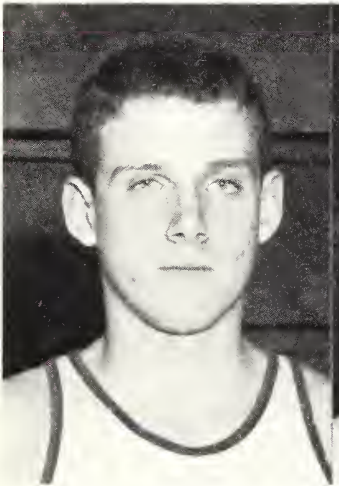

Ed Potteiger

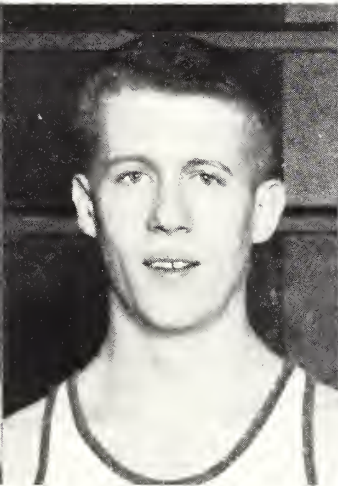

Captain Bill Small, all-conference and all-state sensation, seemingly engulfs the ball in his massive hand as he drives in for an easy layup, one of the many baskets he scored while winning the conference individual scoring championship. In his two year career at West High he set new Big Eight one-, two-, and three-year record scoring totals.

## Sophs Win 10 Straight

Coach Norm Patberg's 1958-1959 sophomore basketball squad won 12 games and lost 7. Fortunately, their basketball playing was not so mediocre as their record; they were one of the most talented WA soph teams in recent years. Thus, Mr. Dorsey can look forward to a strong crop of underclassmen for next year's varsity.

The Hawklets started their season by winning ten consecutive games by margins ranging from eight to twenty-one points. Their win streak was ended by another undefeated team, Crystal Lake, who defeated them 49-47. The sophs dropped another two-pointer to LaSalle-Peru, 48-46, and then lost 54-49 to an extremely tall Bloom team. Then East Aurora and Elgin avenged previous losses to the Hawklets, but West came back to gain consecutive wins over West Rockford and Joliet. The sophs were slaughtered by East Rockford in the final conference game, and they lost to Hinsdale, the eventual champions, in the first round of the Wheaton sophomore invitation tournament.

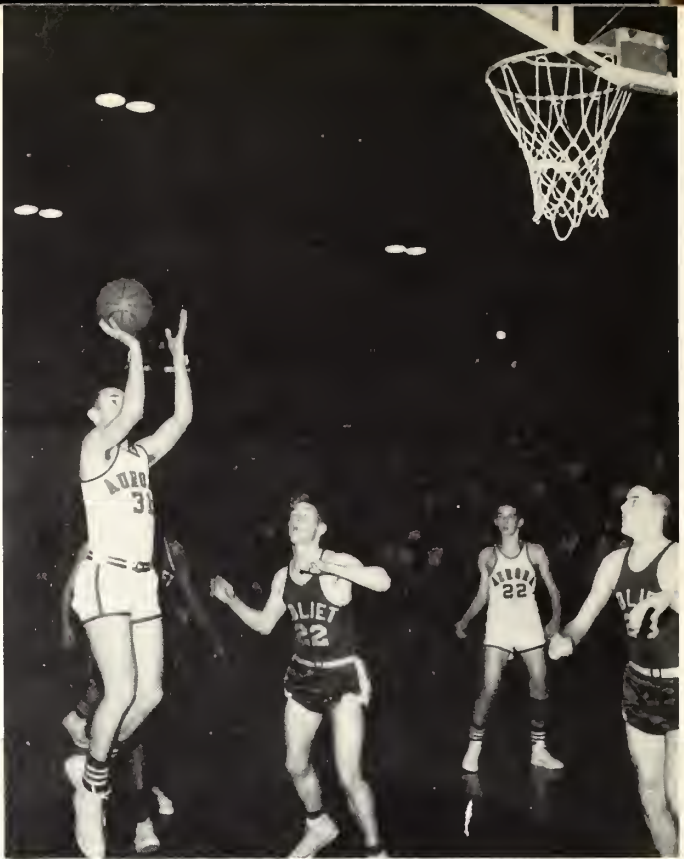

Sophomore Captain Tom Trotter and Coach Patberg pause after a practice session to discuss game strategy.

# Hawk Wrestlers Win District

In posting an outstanding record of 10 wins and 5 losses in dual meets the varsity wrestlers established themselves as a strong team. In tournament competition the Hawks placed fourth in the always rugged Palatine meet, finishing behind DeKalb, Arlington Heights, and Palatine in that order; they finished third behind Elgin and Joliet in the first annual Big Eight meet, which they hosted; they climaxed their season by winning their IHSA district tournament. This was the best season yet enjoyed by a Blackhawk wrestling team.

Jim Pigatti, Bill Gifford, and Todd Gabbett won individual titles in conference competition; in the district a week later co-captain Chuck Janssen joined repeat winners Gifford and Gabbett as a titlist.

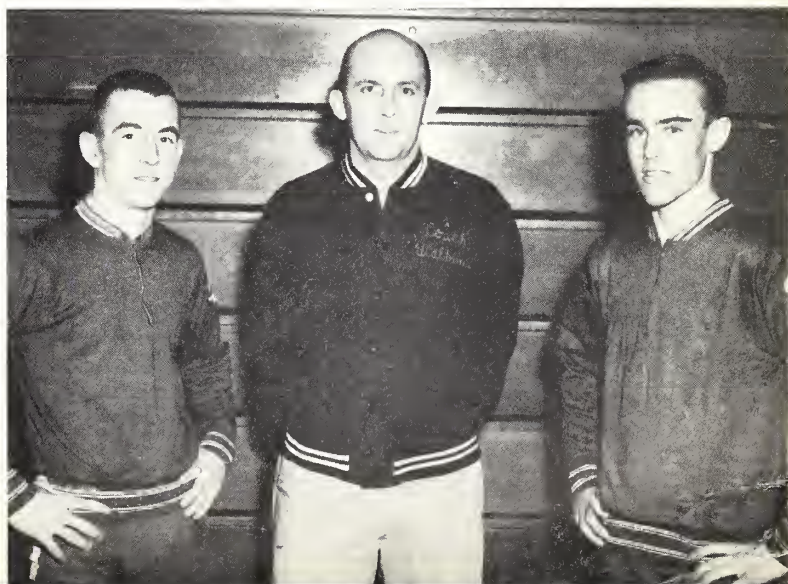

Winning individual season records were posted by: Frank Heinz(8-1), Jerry Lash(8-6-1), Henry De Bolt (10-4), Ed Shafer(11-9), Jim Pigatti(13-6), Jim Felts(13-10), Richie Michels(14-7), Garry Griesser(14-8-1), Chuck Janssen(14-8-1), and Bill Gifford (17-4-1).

Coach Wallbaum can look forward to a good year next year for he will have eight returning letter winners for his squad, which will be complimented by members of this year's sophomore team.

## Sophs Post 9-3-1 Record

West High's newly-established sophomore wrestling team compiled, in its first season, a very impressive record of nine wins, three losses, and one tie. A key figure in the team's fine performance was Mr. Zuege, new head sophomore coach and assistant varsity coach. Under his direction the team grasped fundamentals quickly and wrestled consistently well throughout the season. Outstanding among the team's matches were wins over always-rugged Oswego and DeKalb.

Undefeated Mike Fisher's record of twelve wins and no losses was the best individual record. Other wrestlers posting winning records included: Art Lage, Wayne Carpenter, Dan Warner, Jim Dimon, Dave Lovekin, Mike Galvin, Bob Johannessen, Manfred Staiger.

The Hawklets, who gained invaluable experience this season, should markedly strengthen next year's varsity squad.

Below, Coach Zuege gives his top performers, Mike Fisher and Dave Lovekin (top and bottom respectively), tips on improving their moves from the referee's position.

# Tennis Players Winning

As the EOS goes to press, the tennis team is winning consistently. Of their first nine scheduled meets they have lost only to Hinsdale's 1958 State Champions, who shut West High out 5-0, and to Joliet, who edged the Hawks 3-2. The nineteen dual meets scheduled for this spring should give the team, which, with the exception of Captain Jim Puklin, is composed of underclassmen, experience which will prove valuable in tournaments. The Blackhawks will compete in the IHSA District tournament to qualify for the state meet; they will climax the 1959 net season playing in the Big Eight tournament.

# Track Team Strong

Coach Wallbaum's 1959 track squad appears to be very strong. The Hawks lost none of their first four dual meets as they defeated Marmion, Joliet, St. Charles, and Elgin. In addition they placed fourth in the early season Ottawa Relays and were second to East Aurora in the Beacon News-City Relays. Many of the trackmen's early season times and distances have surpassed the state qualifying standards; therefore, West High may be well represented at the State Track Meet at the University of Illinois May 15-16. Outstanding individual performer thus far has been Larry Secor, who has been winning as many as four firsts per dual meet.

# Activities

This year's Student Council officers are left to right: Dave Finke, Vice-President, Elizabeth Mead, Secretary, President Bill Gifford, and Mary Trotter, Treasurer.

The 1958-1959 Student Council once again served the students and faculty with a serious, carefully planned, well carried out program of business.

Highlighting the Council's business for this year was the distribution of the Blackhawk Guide to all sophomores and new students; distribution of West High identification cards to all students; choosing the theme and sponsoring this year's most successful homecoming, "Around the World in Eighty Days"; passing the motion to officially name the gymnasium as the Blackhawk Memorial Gymnasium; passing a bill to provide funds for the purchase of the bronze letters to be placed above the gym entrance; and the appointment of a special committee to review and evaluate the present club program.

West's group is a member of both the Illinois and the National associations of Student Councils. Every year representatives are sent to the district and state meetings.

# Direction and Practice

Left to right are: Bobbie Mead, Martha Milbacher, and Christa Wilmarth discussing the Theatre Magazine Ruth bought for thirty-five cents.

On November 14, 1958, the senior class presented "Years Ago," one of the most enjoyable three-act comedies ever presented at West High. Miss Petina Allen and student director, Jane Ravlin, worked very hard to make the play the huge success it was.

The story involves the happenings of the Clinton Jones family. Mr. and Mrs. Clinton Jones (Mike Franch and Judy Shepard) and their daughter (Martha Milbacher) discussed, with the help of others (Christa Wilmarth, Bobbie Mead, Jim Puklin, Rod Bise, Don Robinson, and Adrienne Kole) the possibility of Ruth's theatrical career. After much confusion, Mr. and Mrs. Jones and all of Ruth's friends send her off to the theater in San Francisco, California.

Don Robinson, Mike Franch, and Judy Shepard watch as Adrienne Kole criticizes Martha Milbacher's posture.

Judy Shepard, watches as Jim Puklin, and Rod Bise carry Martha's trunk down stairs.

Spending a quiet evening at home, Mike Franch, reads the Theatre Magazine as his daughter, Martha Milbacher, gets her skirt sewn by her mother, Judy Shepard.

# Equals Double Success

OUR TOWN, a three-act modern drama by Thornton Wilder, was presented by the junior class on May 1, 1959. It was one of the most delightful and enjoyable plays ever presented by the junior class at West High.

The play takes place from 1901 to 1913 in Grover's Corner, New Hampshire, a typical little American village. Using an unusual type of staging and a unique style, OUR TOWN tells the story of the life of this small town and of the men, women, and children who live there.

With "quiet humor and affectionate understanding" the stage manager, Scott Whitlock, observes the lives of the Gibbs, Graham Evans and Bev Welles, and relates the story of the love affair between George Gibbs, George Arbeiter, and Emily Webb, Kristi Oddsen. In the concluding scenes of OUR TOWN, the drama is brought to a poignant and impressive conclusion.

# Firm Conviction Is The Essence Of The Argument

Through diligent work and the coaching of Miss Caroline Drummond, the varsity debaters came out on top this year to take second place in the Big Eight, tied for fourth place in the sectional contests, placed second in the National Forensic League District Meet at New Trier Township High School, and climaxed the year by placing second in the state finals in debate at the University of Illinois.

Last year a chapter of the National Forensic League was organized at West High with only nine members. This year the chapter has grown to twenty-one members.

The importance of effective self-expression becomes more and more evident. More valuable than places won is the experience gained by this year's squad.

The sign on this JC-driven car carrying Coach Dorsey and his three senior stars (from the left) Larry Secor, Bill Small, and John Schwenk, expresses Aurora's feeling about the Blackhawks' excellent performance.

We are also proud of 1959 Queen of the Elite Eight, Jean Even, here being crowned by Mannie Jackson, Captain-elect of next year's Illini basketball team.

## This?

STATE RUNNERS-UP!!! Still saddened by their loss in the finals of the state tournament to Springfield, 61-52, the Blackhawks accept the second place trophy.

## Editor's Note

Selected for their symbolic appropriateness in the representation of the phases of school life on the totem pole were primitive Indian glyphs—the raven for the faculty, loyalty for the classes, the eagle for athletics, and spirit for activities. Purposely these glyphs formed the basic theme for the preparation of this book. My grateful thanks to my co-workers, the 1959 EOS Staff; to Miss Castle, our advisor; to the members of the 1959 Business Staff, and to Mr. Peterson, their advisor; whose spontaneous cooperation provided the atmosphere necessary to make this book possible.

The carving of the year's events in the form of a totem pole has been completed bringing another memorable year at West Senior High School to an end.
